# TruRyde Disc Brake

## 3.5K & 6K

### Value Line

### TruRyde Exclusive Advantages

- **Non-Handed Caliper**
  - Inlet and outlet ports drilled and tapped the same, just swap the fittings.
  - Save costly warehouse space.
  - Save time during procurement and fulfillment.
- **Inlet & Outlet Ports 45 degree angle**
  - More efficient bleeding system.
- **Vented Rotor**
  - Aides in coating inside the rotor.
  - Better airflow for a cooler unit.
  - Allows water to escape.
- **Dependability of the TruRyde/Deemaxx name throughout the industry.**

These are just a few exclusive advantages. Contact your TRP Account Executive for more information.
